November Dance Focus is Flexibility

What does FLEXIBILITY look like at All That Dance?

- **Flexibility is all about getting to the point of having a full range of motion without any pain or discomfort.
- **Flexibility is one of the most important physical aspects to becoming a great dancer. A good range of motion can increase a dancer's turn out and allow their dance moves to appear seamless.
- **Improving your flexibility can have a positive effect for anyone, since a good range of motion in your muscles and joints is important for your health and overall well-being.
- **Our teachers love teaching tricks that show off our dancers' flexibility such as leg extensions, jumps, leaps, acrobatic tricks, and more!

Recital Costume Deposit Fee - DUE NOW

It's time to start thinking about our end of the year recital (see side bar of important dates for all dress rehearsal & recital dates). ATD will be ordering recital costumes in December so we will be charging a costume deposit of \$30 per costume this month so we can order your dancer's costume. The remainder of the costume fee is due in January. Participating in the recital is optional but you must let us know if your dancer doesn't plan to participate in the recital (for one or all classes). If there is no communication, we will assume your dancer is participating in the recital and your account will be charged \$30 costume deposit in the middle of this month. Please let us know if you don't want us to charge your account the costume deposit. Your dancer will not be ordered a costume without the costume deposit paid. Costume deposit will not be refundable after winter break.

Studio Highlights

**Tons of new ATD items coming next month to our ATD apparel corner. We will have the following items for purchase: dancer themed plush animals, sequin draw string bags, ornaments, glitter cosmetic bags, and more. These will make great gifts for your dancer(s). If you placed a spirit order, those will arrive before the holidays and we will notify you when they come in.

**Parents...be mindful of your dancers & little ones in the lobby. There should be no yelling, running, playing rowdy games, ect in the lobby. It is distracting to the classes and to other families in the lobby.

**Label all shoes, dance bags, water bottles, ect

** All tuition is due by the 10th of each month. Any tuition not paid by due date will be charged a \$10 late fee. We will email and text you before the due date if you have a balance due.

**Our Stars Team Dancers will be performing some of their competition dances at the Wiregrass Mall on Monday Nov 21st and Tuesday Nov 22nd. Come out and support our Stars Team Dancers...they are some amazing dancers!
