

## Welcome Back!

Thank you for choosing ATD for your dance family. See the following pages for changes to this fall's classes.

# Fall Highlights!

We have a new studio space! The old young chef's building will now be referred to as our "Main Studio". The current studio will be called our "Stars Studio". See pages 3-8 for our campus layout.

All preschoolers are required to have an ATD dance pack that includes fun dance items for classes. This is an additional \$10 added to the registration fee. (If you have a bag you will not be required to purchase a new one. For any missing any pieces, stop by the front desk for replacements.)

This year, we will be implementing a new practice called "dance focus". Each month we will focus on a new skill such as, "teamwork". This is to ensure that your dancer doesn't just improve in their technique but also in their character.

Communication is key. Please continue to contact us if your dancer becomes sick as we continue to follow CDC guidelines.
