**June 20<sup>th</sup>-24<sup>th</sup> “Happy Holidays”** - Who doesn't love the holidays? Our dancers will get to celebrate the top 5 holidays during this week of dance (Halloween, Christmas, Thanksgiving, Valentine's Day and 4<sup>th</sup> of July). They will learn fun dances, play games and experience a week full of holiday fun! This will be a celebration they won't want to miss!

**June 27<sup>th</sup>-July 1<sup>st</sup> “Disney Movies”** - This week is all about our favorite Disney movies. We know everyone loves a good Disney movie and what better way than to spend a week dancing and watching these great movies? The dancers will do all sorts of fun dance classes, play games, and make crafts. Don't just let your dancer watch the movies at home...let them dance to them this summer at All That Dance!

**July 11<sup>th</sup>-15<sup>th</sup> “Jungle Party”** – Does your dancer love going to the zoo and seeing the animals? Well, we are bringing the zoo to the studio for this week of dance camp. They will have tap classes, ballet and acro classes as they get to dance and move like the animals. Let's not forget about the super fun games, crafts and animal themed dances!

**July 18<sup>th</sup>-22<sup>nd</sup> “Barbie Dreamhouse”** – Barbie stays busy with all her movies and shows (Barbie Dreamhouse, Barbie Princess Charm School, Mermaid Tale and so many more). Our dancers will learn dances to some of Barbies best songs and will get to dress up and “be Barbie” for the week. This is every girl's dream and we will let them live it at this dance camp.

Our half day camps are from 9:00am-12:00pm and will have dance classes, games, & crafts based on the weekly theme. The styles of classes will be tap, ballet & tumbling. There will be one snack break in the morning.

Our full day camps are from 9:00am-3:00pm and will include everything the half day camp does (themed dance classes, games, crafts and one snack) plus a lunch break and other styles of dance classes not offered in the morning (such as hip hop, musical theatre, jazz, lyrical and acro). We will keep them busy for sure.

There is a limited amount of space in each camp. Daily options will only be available if there is space in the camp. We will give priority to dancers attending the whole week. Morning and afternoon care available upon request.
