

All That Dance

September Newsletter 2024

September Dance Focus is Positivity!

What does POSITIVITY look like at All That Dance?

- Positivity is the practice of being positive and optimistic in life.
- As dancers start a new year of dance, they should have a positive attitude while in class. Having a positive mindset will help them get the most out of the class.
- We have a handful of new teachers and some classes are structured differently this year and we want all of our dancers to be positive and welcoming to the change.
- Your mind is a very powerful tool and you can accomplish anything with a positive and uplifting outlook.

Studio Reminders

**Check with the front desk to make sure we have all contact information for you (emails, phone numbers, ect).

**Parents...be mindful of your dancers & little ones in the lobby. There should be no yelling, running, playing of rowdy games, etc. in the lobby. It is distracting to the classes and to other families in the lobby.

**Label all shoes, dance bags, water bottles, ect

**Pick up after yourselves and your dancers. If you spill or make a mess, let us know so we can clean it up. Please respect our studio.

**Schedule is subject to change at anytime. We will let you know if your class is affected with a time change or class change.

**Make sure you are aware of the dress code for your dancer's class(es). Our dress code is on our website under "Our Policies"

Did You Know?

- We have adult ballet & hip hop/jazz classes. These classes are a great way to learn new dance skills with other adults & to destress at the end of the day. There isn't a registration fee for adult classes and any adults with dancers at ATD will get the "sibling" discount on tuition.
- We have a vending machine with drinks and snacks in our Stars Studio Lobby. Head over there to grab a quick snack.
- Support our Stars Team dancers! Stop by the Main Studio Lobby to check out the resale dance wear.
- Email is our main form of communication. We have too many students to personally call or text everyone. Make sure we have your correct email so we can effectively communicate with you.
